ELEMENTXL, THE RISING STAR OF EORA'S MUSIC SCENE, IS PROUD TO ANNOUNCE THE RELEASE OF HIS LATEST

SINGLE, "PLAYING GAMES", A GROOVY BLEND OF R&B, INDIE AND HIP HOP SOUNDS!

Elementxl, one of the most exciting emerging artists in EORA's music scene, is gearing up to release his latest single, "Playing Games", on November 29, 2024. Known for his genre-defying sound that blends R&B, Indie, and Hip Hop influences, Elementxl continues to push boundaries and deliver fresh, relatable music.

"Playing Games" takes listeners on a groovy, emotional journey, capturing the rollercoaster ride of trying to connect with someone who's emotionally distant.

With its smooth, melodic guitar lines and infectious R&B vibes, the track showcases ElementxL's signature flow and introspective lyricism. The song explores the uncertainty and excitement that come with modern romance, a theme ElementxL describes as both "lighthearted and fun" yet deeply real.

"It's all about the ups and downs of meeting someone new, not knowing what's gonna happen. There's so much uncertainty, but it's also a part of the fun!" says ElementxL.

Fans of his previous hits, including "Hazy," "NOSEBLEED," "HOLD UP," and "Re: Self Love," will find "Playing Games" another strong addition to his growing catalog. The track combines relatable storytelling with an inviting, catchy melody that's sure to resonate with listeners navigating the complex world of love and relationships.

In the coming year, ElementxL is set to continue his musical journey, with plans for more releases and international touring. As his sound evolves, so does his connection with his ever-growing fanbase.

"Playing Games" will be available on all major streaming platforms on 29th November 2024.
